

SMALL FARMS WEED IDENTIFICATION

Alligator Weed - *Alternanthera philoxeroides*

Bamboo - *Bambusa* spp.

Barley Grass - *Hordeum leporinum*

Bathurst Burr - *Xanthium* spp.

Bedstraw - *Galium aparine*

Blackberry - *Rubus fruticosus*

Boxthorn - *Lycium ferocissimum*

Bracken Fern - *Pteridium esculentum*

Cabomba Fern - *Cabomba* spp.

Caltrop - *Centaurea calcitrapa*

Cape Tulip - *Homeria* spp.

Capeweed - *Arctotheca calendula*

Chickweed - *Stellaria media*

Common Pear - *Opuntia stricta*

Dodder - *Cuscuta campestris*

Photographs kindly supplied with the assistance of NSW Department of Primary Industries and Queensland Government Natural Resources and Mines.

SMALL FARMS WEED IDENTIFICATION

Double Gee - *Emex australis*

Fireweed - *Senecio madagascariensis*

Flatweed - *Hypochoeris radicata*

Gorse - *Ulex europaeus*

Hoary Cress - *Lepidium draba*

Horehound - *Marrubium vulgare*

Horsetail - *Equisetum* spp.

Hymenachne - *Hymenachne amplexicaulis*

Johnson Grass - *Sorghum halepense*

Khaki Weed - *Alternanthera pungens*

Lantana - *Lantana camara*

Lippia - *Phyllanthus* spp.

Mesquite - *Prosopis* spp.

Mintweed - *Salvia reflexa*

Mistle Flower - *Ageratina riparia*

Photographs kindly supplied with the assistance of NSW Department of Primary Industries and Queensland Government Natural Resources and Mines.

SMALL FARMS WEED IDENTIFICATION

Mother of Millions - *Bryophyllum delagoense*

Needle Grass - *Nassella neesiana*

Nodding Thistle - *Carduus nutans*

Noogoora Burr - *Xanthium* spp.

Paddy's Lucerne - *Sida rhombifolia*

Pampas Grass - *Cortaderia* spp.

Parkinsonia - *Parkinsonia aculeata*

Parthenium - *Parthenium hysterophorus*

Paterson's Curse - *Echium* spp.

Phalaris - *Phalaris arundinacea*

Pigweed - *Portulaca oleracea*

Pond Apple - *Annona palustris*

Potato Weed - *Galinsoga parviflora*

Prickly Acacia - *Acacia nilotica*

Prickly Pear - *Opuntia* spp.

Photographs kindly supplied with the assistance of NSW Department of Primary Industries and Queensland Government Natural Resources and Mines.

SMALL FARMS WEED IDENTIFICATION

Rubber Vine - *Cryptostegia grandiflora*

Scotch Thistle - *Onopordum* spp.

Serrated Tussock - *Nassella trichotoma*

Silverleaf Nightshade - *Solanum elaeagnifolium*

Skeleton Weed - *Chondrilla juncea*

Sorrel - *Rumex acetosella*

Spiny Burrgrass - *Cenchrus incertus*

St John's Wort - *Hypericum perforatum*

Variegated Thistle - *Silybum marianum*

Water Couch - *Paspalum paspaloides*

Water Hyacinth - *Eichhornia crassipes*

Wild Oats - *Avena fatua*

Wild Radish - *Raphanus raphanistrum*

Yorkshire Fog Grass - *Holcus Lanatus*

FOOTNOTE: A weed or plant may have more than one common name. As people in one region may refer to it with one name, others in another region may use an entirely different name. Because of this, it is generally preferable to refer to the plant by its botanical name. This weed ID section is to be used as a guide only and verification of a particular weed should be confirmed by your local weeds officer.
